

Reinforcement Program

Student: _____ School: _____ Teacher: _____

1. **What behaviors am I targeting for reinforcement? (List in order of importance)**
2. **What will I use as reinforcement? (activities, privileges, items) List all that apply.**
3. **Where will the student be reinforced? (at his/her desk, another part of the classroom, different classroom)**
4. **If the student is showing the appropriate behaviors listed in #1**
 - a. **How often should he/she be reinforced (if based on time)?**
 - b. **After how many responses should he/she be reinforced (if based on number of responses)? Examples: After 3 completed worksheets; After 2 pages read**
5. **How long will the student be reinforced for (if an activity)?**
6. **What if the student behaves *inappropriately* during reinforcement?**
7. **What if the student behaves *inappropriately* when stopping or transitioning from the reinforcer?**
